

REMARKS

The specification has been amended to indicate that the present application claims priority to U.S.S.N. 60/166,410, filed November 19, 1999. The attached Sequence Listing was also inserted at the end of the application. No new matter is introduced by these amendments.

A marked-up version indicating the amendment made to the specification, as required by 37 C.F.R. § 1.121(b)(1)(iii), is enclosed. If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 7 February 2002
